SUBJECT: Obligation of Funds for the Colbert Landfill Site

FROM: Henry L. Longest II, Director

for

TO: Jonathan Z. Cannon, Acting Assistant Administrator
Office of Solid Waste and Emergency Response

The purpose of this memorandum is to request that you approve the obligation of funds sufficient in amount to satisfy the CERCLA response claims which may be submitted by Spokane County for the response action at the Colbert Landfill site. On September 30, 1988, I preauthorized the response action as a part of a mixed funding agreement, effective as of date of entry of the Consent Decree with the court (Attachment I). On February 28, 1989, the United States District Court for the Eastern District of Washington approved the Consent Decree (Attachment II). In accordance with Agency procedures, all conditions necessary to the obligation of funds have been satisfied.

The Miscellaneous Obligation Document for this Site is enclosed as a part of this package. The amount of the obligation, \$1,400,000, exceeds the \$1,000,000 limit established for Office Directors. I therefore request that you sign the MOD authorizing the obligation of funds for the Colbert Landfill Site.
